The Power of Three

Experience Bioenergetic Rebalance Now – For Collective Change in Challenging Times!

We are living in times of individual and collective energetic traumatization and polarization on many levels, its causes and consequences touching the physical, mental, emotional and spiritual aspects of our human nature. The controversies and consequences of global events have created a need for bioenergetic and subtle harmonization and balancing.

The **Power of Three** Healy program group is our response to the energetic and informational bifurcation point (or branching situation) perceived and experienced by many among us. It is based on the ancient system of three natural energetic forces, as expressed in the bioenergies of Ayurveda.

Combining a systematic analysis of current collective processes and classical universal frequencies, the **Power of Three** programs are designed for a special 9-week application protocol. They only need to be applied once a day on Mondays, Wednesdays and Fridays, additionally to any other Healy programs you are currently using.

Three groups, each containing three programs:

 <p>Bioenergetic Rebalance</p>	 <p>Universal Frequencies</p>	 <p>Digital Ayurveda</p>
